Zeamster Payment Gateway

Innsoft is excited to announce that we have completed integration of the Zeamster Payment Gateway for the Connect-Inn Booking Button.

Enable the payment gateway for your Booking Button for a **one-time charge of \$200.**

- Booking Button reservations will be charged at the time of booking, and reservations will come into Check-Inn with a paid advance deposit.
- Unsuccessful payments will prevent bookings from being completed.
- Charge either a percentage of the reservation or by number of nights.
- Increase security with credit card tokenization.

ADA Compliance

Have you reviewed your ADA compliance on your website and booking engine? If not, we strongly suggest you seek guidance to see if you're fully compliant.

We want properties to be aware of this ADA law: **Ensure that individuals with disabilities can make reservations for accessible guest rooms during the same hours and in the same manner as individuals who do not need accessible rooms.**
